

PIANO TUNING

Keep your instrument stable, responsive, and performance-ready throughout the academic year with professional piano tuning. Regular maintenance supports tone quality, ensemble tuning, and long-term instrument health.

PRIVATE COACHING

Targeted individualized coaching for students preparing for: Solo & Ensemble, Musical Auditions/Callbacks, ILMEA, Honor Choir, and College Auditions. Sessions focus on vocal technique, stylistic clarity, confidence, and performance readiness.

VOCAL WORKSHOPS & CLINICS

Interactive group sessions focused on tone quality, harmony clarity, and practical vocal tools that immediately translate to repertoire. Workshops may focus on: Breath coordination and vocal stamina, registration balance, contemporary belt development, and blending. Each session is tailed to your program's specific repertoire and goals.

ARRANGING & PERFORMANCE SUPPORT

Custom arrangements, transcriptions, rehearsal tracks, professional accompanying, and adjudication support designed to serve your ensemble during auditions, festivals, and performance seasons. Thoughtful preparation and musical responsiveness ensure students feel confident and directors feel supported.
